
MESSAGE FROM THE CHAIR

Curiouser & curiouser,

Let's get ready for a great roundup.

10 years ago I went down the rabbit hole & yet it's rather curious you know, this sort of life.

It has been my honor to be part of this committee for the last 9 years.

This program has shown me a way to have a life I never believed possible. So always believe in impossible things... there's no going back to yesterday because I was a different person then.

So let's have some fun this weekend, get to know some new people & remember: *we're not strange, weird, off, nor crazy, our reality is just different.*

Thank You,

James P.
2026 Chairperson
